STAFF REPORT

RE: Case 1728-SUP/Yard House
LOCATION: 5100 Belt Line Road Suite 212
REQUEST: Approval of an amendment to the existing Special Use Permit for a restaurant and Special Use Permit for the sale of alcoholic beverages for on-premises consumption only.
APPLICANT: GHA Architects, represented by Mr. Jason Bolling.

DISCUSSION:

Background: Yard House is a current restaurant tenant in Village on the Parkway on the east side of the AMC Theater. It was approved through the Special Use Permit process in early 2014 and has been in operation for a little over a year.

As part of their approved plan, the restaurant was permitted to have an exterior patio of 2,110 square feet.

Proposed Plan: The applicant is now requesting permission to cover the patio and install vinyl roll down walls. This will allow them the flexibility to shield the patio during periods of rain and for cold weather months, but keep it open during good weather. There would be no change in the size or intensity of the use of the patio.

RECOMMENDATION: **APPROVAL**

Staff recommends approval of the request. Yard House has been a quality tenant for the shopping center and this will help the restaurant utilize the patio more frequently than it is able to do so now. Since this is an amendment to the existing SUP and the standard condition regarding signage is already included, there is no need to include it here.
