Mayors of Suburban Cities

Board of Trustee Presidents of Suburban School Districts

FROM:

W. Kenneth Nolan, Executive Director/Chief Appraiser ( July 2007)

RE:

Results of 2007 Election of Representative to DCAD Board of Directors

State law requires the Chief Appraiser to conduct an election of representatives to the Board of Directors in odd numbered years. The process outlined in the Texas Property Tax Code requires the election to be conducted and the individual entities notified of the results once the process is complete.

#### 1. Suburban Cities Election

The election process requires a runoff. The following suburban cities participated in the election. Each of their selections is noted below. The current tally indicates Scott Wheeler of Addison received 9, Dwayne Gentsch of Garland received 6, Michael Hurtt of DeSoto received 6, Rita Burks of Balch Springs received 4, James Daniels of Lancaster received 2 and Robert Thornton of Grand Prairie received 1 of the 28 votes cast. Two cities abstained from voting. Since there was no one candidate receiving 16 votes (majority of the 30 votes eligible), a runoff election is necessary. A coin flip between the two candidates who shared the second highest number of votes, Dwayne Gentsch and Michael Hurtt, resulted in Michael Hurtt securing a place on the ballot.

The election process requires a runoff. Jerry Jones of Rowlett received 7, Dorothy Wolverton of Duncanville received 4, and David Merritt of Carrollton received 2 of the 13 votes cast. Two school districts abstained from voting. Since there was no one candidate receiving 8 votes (majority of the 15 votes eligible), a runoff election is necessary. School districts voting are:

# BOARD OF DIRECTORS ELECTION RUNOFF PROCEDURE FOR SUBURBAN CITIES/SCHOOL DISTRICTS REPRESENTATIVE

The procedures outlined below are to be used in the event that no candidate receives a majority of the votes for the election for the Suburban Cities Representative to the BOD or the Suburban School Districts Representative to the BOD.

SEAL:

#### **SUMMARY:**

Council approval is requested for the purchase and installation of new carpet and area rugs at various town facilities under the Town's Inter-local Agreement with The Cooperative Purchasing Network (TCPN) in the amount of \$164,824.88.

#### FINANCIAL IMPACT:

Budgeted Amount: \$177,602.00

Cost: \$164,824.88

#### **BACKGROUND:**

The Cooperative Purchasing Network (TCPN) is administrated by the Region 4 Education Service Center. Region 4 is a local government agency authorized by Chapter 8, of the Texas Education Code. TCPN is available for use by public and private schools, colleges, universities, cities, counties, and other government entities.

Participation in TCPN is not required of government entities. However, participation by government entities can provide the legally required competition for contracts for commonly purchased items thereby saving the individual entity the cost of going through the competitive process. State statute exempts the Town from formal bid requirements when purchasing through an Inter-local Agreement such as this.

TCPN provides school districts and other government entities opportunities for greater efficiency and economy in acquiring goods and services by taking advantage of state-of-the-art purchasing procedures to insure the most competitive contracts and by providing competitive price solicitation and bulk purchasing for multiple government entities that yields economic benefits unobtainable by individual entities.

The vendor under this contract is Tandus US Inc., who has more than 35 years experience and who has an extensive product offering that is environmentally preferable.

Staff plans to replace the facility carpeting at Town Hall, Finance, Service Center, Athletic Club and the Police Storefront at Addison Circle. This is a turnkey project that includes furniture moving and removal/ disposal of the old carpet. The project also consists of replacing the large area rugs at Town Hall.

#### **RECOMMENDATION:**

Staff recommends approval.

#### SUMMARY:

Consideration of a resolution to award the bid for **electrical services** (07-20) to **Entertainment Services** in the amount of **\$130,125.00** for the 2008 special event season with the option to renew for two additional years.

#### FINANCIAL IMPACT:

Budgeted Amount: \$104,648.00

Cost: \$130,125.00

If over budget or not budgeted, what is the budget impact? \$25,477 over budget and will require a mid-year budget amendment unless a more cost-effective option is found.

#### BACKGROUND:

See attached memorandum from Barbara Kovacevich.

#### **RECOMMENDATION:**

Staff recommends approval as outlined in the attached memorandum.

RE: Bids for Temporary Electrical Services, Lights and Air Conditioning (07-20)

for the 2008 Special Events

**CC:** Shanna Sims-Bradish, Budget and Procurement Manager

Nicole Newkham, Senior Special Event Coordinator

Michelle Holland, Special Event Coordinator

Ron Lee, Parks Operations Manager

We would like to place an agenda item on the January 8, 2008 City Council Agenda to award the bid for temporary rental of electrical services, lights and air conditioning for the 2008 special event season.

Background: The bid was sent to 20 companies and was advertised for two weeks in the newspaper and on Demand Star. One bid was received. The bidder submitted a bid for a total quantity of electrical service and air conditioning equipment on an annual basis with the option to renew for two additional years. We conducted a random survey of the other vendor contacts to determine why they didn't bid on the project. Entertainment Services is the leader in the special event industry for temporary power and their prices are very competitive so the other bidders didn't respond because they can't compete with their prices. Staff called the Gaylord Hotel and the Byron Nelson to determine the vendor that provides air conditioning services for their tents. Both of these organizations stated they use Aggrecko. Staff contacted Aggrecko to determine the reason for not bidding on the project. Aggrecko stated that they had other in-house projects that left Aggrecko preoccupied and unable to apply before the deadline. Aggrecko stated that the company has applied for the electric bid in the past and tends to price higher than the competing companies. Aggrecko submitted a bid for these services in 2005 and it was \$140,000 higher than the low bidder (Entertainment Services).

#### **Selection Committee:**

Ron Lee, Parks Operations Manager Nicole Newkham, Sr. Special Event Coordinator Barbara Kovacevich, Special Event Administrator Michelle Holland, Special Event Coordinator

**Recommendation:** The following chart summarizes the bid that was received along with the selection committee's unanimous recommendation for approval of **Entertainment Services** (highlighted in yellow). A point system was used to analyze the bids and select the best-qualified bidder. Entertainment Services has provided services to the Town of Addison for the past three years. For at least ten other years, we have worked their Regional Manager, Donnie Harris, when he was with GE and Pannell Electric. They have an extensive list of customer references and they offer a good product and service at a competitive price.

**<u>Budget</u>**: Proposed bid amount is \$130,125 which is \$28,525 more than the amount spent in 2007 and is \$25,477 more than the 2008 budget of \$104,648. A majority of the increased cost is due to the Oktoberfest air-conditioning. Staff is continuing to research a more cost-effective option and will bring that option forward for Council approval if a better solution is found. In the meantime, this budget item will require a mid-year budget amendment.

#### **SUMMARY:**

Consideration of a resolution to award the bid for **rental of tents** (07-21) to **Sandone Productions**, **Inc.** in the amount of **\$115,860.00** for the 2008 special event season with the option to renew for two additional years.

#### FINANCIAL IMPACT:

If over budget or not budgeted, what is the budget impact? Cost is under budget.

If over budget or not budgeted, what is the budget impact?

#### **BACKGROUND:**

Staff determined it was necessary to re-submit the RFP for stage, sound and lighting services for several reasons: Kaboom Town specifications were omitted from the original bid and the needs have recently changed significantly from last year, the specifications for the Jazz Festival have changed after a recent meeting with the new venue and several key vendors did not receive the bid package.

#### **RECOMMENDATION:**

Staff recommends the rejection of all bids in order to re-bid the project with the new and revised requirements.

#### **SUMMARY:**

Consideration of a resolution to award the bid for **rental of fencing** (07-23) to **Cain Fence Company** in the amount of \$11,298.00 for the 2008 special event season with the option to renew for two additional years.

#### **FINANCIAL IMPACT:**

Budgeted Amount: \$10,706.00

Cost: \$11,298.00

If over budget or not budgeted, what is the budget impact? Cost is less than the 2008 budgeted amount.

#### **BACKGROUND:**

See attached memorandum from Barbara Kovacevich.

#### **RECOMMENDATION:**

Staff recommends approval as outlined in the attached memorandum.

**SUMMARY:** Presentation and discussion by the Bonner Group regarding

market research and brand development for the Town.

FINANCIAL IMPACT:

\$50,000 allocated in FY08 budget

**BACKGROUND:** 

One of the recommendations resulting from the work of the Public Relations Citizens Advisory Committee and embraced by the City Council was that additional research to determine the perceptions regarding the Addison brand needed to be conducted. Based on the results of that research a campaign to reintroduce and enhance the Addison brand would be developed.

Krause Advertising as the Town's marketing consultant recommended the Bonner Group. Staff met with Ms. Bonner and asked her to submit a proposal. Ms. Bonner will present the proposal at the January 8 Council meeting.

#### **RECOMMENDATION:**

Staff recommends that Council contract with the Bonner Group.
