Information

AGENDA CAPTION:

Present And Discuss Hotels In Addison And Underperforming Hotels.

BACKGROUND:

Addison currently has twenty-three hotels and one more under construction. Over the years, the City Council has held numerous discussions regarding both the future of hotel development and the performance of the existing hotels. The Council started a conversation on this topic at the February 14, 2017 Council Meeting. Staff will offer a brief presentation based on the discussion from that meeting and seek direction from Council.

RECOMMENDATION:

Administration requests direction from Council.
