RE: Approvable Pending Adoption of Dallas County, Texas Multi-Jurisdiction Hazard Mitigation Plan (HMP)

Funding Source: HMGP; 4272

Dear Judge Jenkins:

Congratulations! FEMA has concluded the review of the Dallas County Multi-Jurisdiction HMP, and the plan is found to be approvable pending adoption. In order for this plan to receive final FEMA approval, the jurisdiction(s) must adopt this plan and submit the complete adoption package to the state within 90 days. The plan update timeline will begin on the date of the FEMA approval letter. Please e-mail the complete adoption package to TDEM-Mitigation@tdem.texas.gov and Natalie.Johnson@tdem.texas.gov as follows:

- The final plan formatted as a single document
 - Plan must be dated to match the date of the first adoption
 - Remove track changes, strikethroughs and highlights
- All signed resolutions as a separate single document

The previous review tool may contain recommendations to be applied to your next update. DO NOT make any further changes to your plan until it has been approved.

If you have any questions concerning this procedure, please do not hesitate to contact me at 512-424-7820 or via email at david.jackson@tdem.texas.gov. We commend you for your commitment to mitigation.

Respectfully,
