CONTRACT SERVICES AGREEMENT Addison Police Department Roof Restoration

This Contract Services Agreement (“Agreement”) is made by and between the **Town of Addison, Texas** (“City”), and **Mcclung Roofing, LLC** (“Contractor”) (each a “party” and collectively the “parties”), acting by and through their respective authorized representatives.

RECITALS

WHEREAS, City desires to engage Contractor to perform certain work and services, hereinafter referred to only as “services”, as further specified in the scope of services defined in Section 1 of this Agreement; and

WHEREAS, Contractor has expressed a willingness to perform said services in conformance with this Agreement.

NOW, THEREFORE, for and in consideration of the covenants and promises made one to the other herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

Section 1. Scope of Services

Upon notice to proceed by City, Contractor agrees to provide the necessary services, labor, materials, equipment and supplies related to the Addison Police Department roof restoration project, such services in conformance with the Contract Documents (defined below), including the scope of services attached hereto and incorporated herein as **Exhibit “A”**. Contractor shall not be entitled to any claim for extra services, additional services or changes in the services, except as expressly authorized in writing in advance by City.

Section 2. Term of Agreement

The term of this Agreement shall begin on the last date of execution hereof (the “Effective Date”) and shall continue until Contractor completes the services required herein to the satisfaction of City and has been paid in full by City, unless sooner terminated in conformance with this Agreement.

Section 3. Contract Documents

This Agreement is a part of the “Contract Documents”, which include:

- (1) This Agreement, including all exhibits and addenda hereto;
- (2) City’s Request for Proposals;
- (3) City’s written notice(s) to proceed to the Contractor;
- (4) Properly authorized change orders;
- (5) Contractor’s Bid Proposal TX-R180903-314834 (“Proposal” and/or “Response”); attached hereto as **Exhibit A**; and
- (6) Any other materials distributed by the City that relate to the services.

In the event there exists a conflict between any term, provision and/or interpretation of the Contract Documents, the documents shall take precedent and control in the order listed above in this section. If discrepancies are found that may impact the services, it shall be the Contractor’s obligation to seek

clarification as to which requirements or provisions control before undertaking any work on that component of the services. Should the Contractor fail or refuse to seek a clarification of such conflicting or inconsistent requirements or provisions prior to any work on that component of the services, the Contractor shall be solely responsible for the costs and expenses - including additional time - necessary to cure, repair and/or correct that component of the services.

Section 4. Contractor's Obligations

(a) Performance of Services. Contractor shall furnish and pay for all labor, tools, materials, equipment, supplies, transportation and management necessary to perform the services. To the extent reasonably necessary, Contractor may engage the services of any agents, assistants, or other persons that Contractor may deem proper to assist in the performance of the services under this Agreement; provided, that Contractor shall be responsible for all costs related thereto, except as expressly authorized in writing in advance by City.

(b) Standard of Care. Contractor shall perform the services with the skill and care ordinarily provided by competent Contractors practicing in the same or similar locality and under the same or similar circumstances and Contractor licenses. Contractor shall be responsible for the Contractor quality, technical accuracy, and the coordination of all services under this Agreement. Contractor shall, without additional compensation, correct or revise any errors or deficiencies in the services. Contractor shall further make, without expense to City, such revisions to the services as may be required to meet the needs of City and which are within the scope of services.

(c) Additional Services. Should City require additional services not included under this Agreement, Contractor shall make reasonable effort to provide such additional services at mutually agreed charges or rates, and within the time schedule prescribed by City; and without decreasing the effectiveness of the performance of services required under this Agreement.

(d) No Waiver of City's Rights. Neither City's review, approval/acceptance of, nor payment for any of the services required under this Agreement, shall be construed to operate as a waiver of any rights under this Agreement or of any cause of action arising out of the performance of this Agreement, and Contractor shall be and remain liable to City in accordance with applicable law for all damages to City caused by Contractor's negligent performance of any of the services furnished under this Agreement.

(e) Independent Contractor. It is understood and agreed by and between the parties that Contractor, while performing under this Agreement, is acting independently, and that City assumes no responsibility or liabilities to any third party in connection with Contractor's actions. All services to be performed by Contractor pursuant to this Agreement shall be in the capacity of an independent contractor, and not as an agent or employee of City. Contractor shall supervise the performance of its services and shall be entitled to control the manner and means by which its services are to be performed, subject to the terms of this Agreement. There is no intended third-party beneficiary to this Agreement.

(f) Inspection of Records. Contractor grants City and its designees the right to audit, examine or inspect, at City's election, all of Contractor's Records relating to the performance of services under this Agreement, during the term of the Agreement and any retention period herein. City's audit, examination or inspection of Contractor's Records may be performed by a City designee, which may include its internal auditors or an outside representative engaged by City. Contractor agrees to retain Contractor's Records for a minimum of four (4) years following termination of the Agreement, unless there is an ongoing dispute under the contract; then, such retention period shall extend until final resolution of the dispute. "Contractor's Records" shall include any and all information, materials and data of every kind and character

generated as a result of the services under this Agreement. City agrees that it will exercise its right to audit, examine or inspect Contractor's Records only during regular business hours. Contractor agrees to allow City and its designees access to all of Contractor's Records, Contractor's facilities and the current or former employees of Contractor, deemed necessary by City or its designee(s), to perform such audit, inspection or examination.

(g) Confidential Information. Contractor agrees it will notify City in writing if it considers specific information to be confidential or proprietary trade secrets and will use its best efforts to clearly mark all such information as "Confidential" and/or "Proprietary – Trade Secret" at the time it is delivered or made accessible to City. City acknowledges that all such designated information is considered by Contractor to be confidential and the exclusive property of Contractor. Notwithstanding the foregoing, Contractor acknowledges that this Agreement, and all services performed hereunder, are subject to the legal requirements of the Texas Public Information Act and that City will have no obligation to protect or otherwise limit disclosure of any confidential or proprietary information if Contractor has not notified City of such designation in conformance with this section. Contractor agrees and covenants to protect any and all proprietary rights of City in any materials provided to Contractor. Additionally, any materials provided to Contractor by City shall not be released to any third party without the consent of City and shall be returned intact to City upon termination or completion of this Agreement or if instructed to do so by City. In the event City delivers to Contractor information that it has expressly marked "Confidential" or has notified Contractor is confidential or is the proprietary information of a third-party, Contractor agrees it shall not disclose to anyone directly or indirectly during the term of this Agreement or at any time thereafter, any such information, nor shall it use any such information for any purpose other than in connection with Contractor's performance of the services under this Agreement. Contractor shall further, at its own expense, defend all suits or proceedings instituted against City and pay any award of damages or loss resulting from an injunction, against City, insofar as the same are based on any claim that materials or services provided under this Agreement constitute an infringement of any patent, trade secret, trademark, copyright or other intellectual property rights.

(h) Certification of No Conflicts. Contractor hereby warrants to the City that Contractor has made full disclosure in writing of any existing or potential conflicts of interest related to Contractor's services under this Agreement. In the event that any conflicts of interest arise after the Effective Date of this Agreement, Contractor hereby agrees immediately to make full disclosure to the City in writing.

Section 5. Performance Schedule

(a) Time for Performance. Contractor shall perform all services as provided for under this Agreement in a proper, efficient, timely, and Contractor manner in accordance with City's requirements. In the event Contractor's performance of this Agreement is delayed or interfered with by acts of the City or others, Contractor may request an extension of time in conformance with this Section 5 for the performance of same as hereinafter provided but shall not be entitled to any increase in fee or price, or to damages or additional compensation as a consequence of such delays.

(b) Extensions: Written Request Required. No allowance of any extension of time, for any cause whatever (including an event of Force Majeure as defined herein below), shall be claimed or made to Contractor, unless Contractor shall have made written request upon City for such extension within forty-eight (48) hours after the cause for such extension occurred, and unless City and Contractor have agreed in writing upon the allowance of additional time to be made.

(c) Costs of Delay. Contractor understands and agrees that time is of the essence of this contract, and that for each day of delay beyond the number of calendar days agreed upon for the completion

of the work herein specified and contracted for (after due allowance for such extension of time as may otherwise be provided for extension of time herein), the City may withhold permanently from the Contract Price an amount equal to \$1,000.00 per day, which the parties agree represents a reasonable estimation of the actual costs that would be incurred by the City in the event of such delay. In the event Contractor's performance under this Agreement is delayed or interfered with, regardless of reason, Contractor shall not be entitled to any increase in fee or price, or to damages or additional compensation as a consequence of such delays.

Section 6. Payment.

(a) Compensation; Payment Terms. City agrees to pay Contractor for all services authorized in writing and properly performed by Contractor in general conformance with the fee schedule(s) established in the Contract Documents, subject to changes in the scope of services or additional services agreed upon in writing. Contractor acknowledges that the City's total budget for the services has been established in an amount not to exceed \$383,810.00. Contractor further acknowledges that City may select one or more additional contractors to provide the services under this Agreement and that Contractor shall not be entitled to a minimum amount of compensation during the term hereof. Unless otherwise agreed by the parties, all payments to Contractor by City shall be based on detailed monthly invoices submitted by Contractor for work performed and accepted by City, less any previous payments. Payment will be due within 30 days of the City's receipt and acceptance of an approved invoice. Notwithstanding the foregoing, City reserves the right to delay, without penalty, any payment to Contractor when, in the opinion of City, Contractor has not made satisfactory progress on any component of the services described in the scope of services.

(b) Deductions. City may deduct from any amounts due or to become due to Contractor any sum or sums owing by Contractor to City. In the event of any breach by Contractor of any provision or obligation of this Agreement, or in the event of the assertion by other parties of any claim or lien against City, or City's premises, arising out of Contractor's performance of this Agreement, City shall have the right to retain out of any payments due or to become due to Contractor an amount sufficient to completely protect City from any and all reasonably anticipated loss, damage or expense therefrom, until the breach, claim or lien has been satisfactorily remedied or adjusted by Contractor.

(c) Appropriation of Funding. All payments made hereunder shall be paid solely from lawfully available funds that have been appropriated by the City. Under no circumstances shall the City's obligations hereunder be deemed to create any debt within the meaning of any constitutional or statutory provision. Consequently, notwithstanding any other provision of this Agreement, the City shall have no obligation or liability to pay any amount due under this Agreement unless the City appropriates funds to make such payment during the budget year in which said amount is payable; provided that during the term of this Agreement the City will take such steps as necessary to appropriate funding for the Project each fiscal year in an amount sufficient to satisfy the reasonably anticipated payment(s) that will become due to Contractor during the ensuing fiscal year. City shall not be obligated to pay any commercial bank, lender or similar institution for any loan or credit agreement made by the Contractor. None of the City's obligations under this Agreement shall be pledged or otherwise encumbered in favor of any commercial lender and/or similar financial institution.

Section 7. Ownership of Project; Bill of Sale; No Liens

(a) Title of Ownership. Contractor warrants that title to all services, including all equipment and materials incorporated into the Project, will pass to City no later than the time of final payment. Contractor further warrants that upon payment by City, all services for which payments have been received

from City shall be free and clear of liens, claims, security interests or other encumbrances in favor of Contractor or any other person or entity whatsoever.

(b) Assignment; Bill of Sale. Contractor agrees, no later than the time of completion of the Project, to assign to City all manufacturer's warranties relating to equipment, materials and labor used in the Project and further agrees it will at all times perform the services in a manner that will, to the greatest extent possible, preserve all manufacturer's warranties. If necessary as a matter of law, Contractor may retain the right to enforce directly any such manufacturers' warranties during the one year period following the date of acceptance of the Project by City; provided, that City's rights related to the same shall not be subordinate to Contractor's enforcement rights.

CONTRACTOR AGREES TO INDEMNIFY, DEFEND, AND SAVE CITY HARMLESS FROM ALL CLAIMS RELATED TO ANY DEMANDS OF SUBCONTRACTORS, LABORERS, WORKMEN, MECHANICS, MATERIALMEN, AND SUPPLIERS OF MACHINERY AND PARTS THEREOF, EQUIPMENT, POWER TOOLS, ALL SUPPLIES ARISING OUT OF THE PERFORMANCE OF THIS AGREEMENT. CONTRACTOR SHALL FURNISH SATISFACTORY EVIDENCE THAT ALL OBLIGATIONS DESCRIBED HEREIN HAVE BEEN PAID, DISCHARGED OR WAIVED UPON CITY'S WRITTEN REQUEST.

Section 8. Default; Termination; Abandonment

(a) Default by Contractor. Should Contractor fail to comply with any term or condition this Agreement applicable to Contractor, or become disabled and unable to comply with any provisions of this Agreement related to the quality or character of the services or time of performance, Contractor shall be deemed in default of this Agreement. If such default is not corrected within ten (10) days after written notice by City to Contractor, City may, at its sole discretion and without prejudice to any other right or remedy:

- (1) terminate this Agreement and be relieved of any further payment or consideration to Contractor except for all services determined by City to be satisfactorily completed prior to such termination. Payment for work satisfactorily completed shall be for actual costs incurred and non-refundable, including reasonable salaries and travel expenses of Contractor to and from meetings called by City at which Contractor is required to attend, but shall not include any loss of profit of Contractor. City may further proceed to complete the services in any manner deemed proper by City, either by the use of its own forces or by resubletting to others; or
- (2) City may, without terminating this Agreement or taking over the services, furnish the necessary materials, equipment, supplies and/or help necessary to remedy the situation, at Contractor's sole expense.

(b) Suspension or Termination by City. City may suspend or terminate this Agreement for cause or without cause at any time by giving written notice to Contractor. In the event suspension or termination is without cause, payment to Contractor, in accordance with the terms of this Agreement, will be made based on services reasonably determined by City to be satisfactorily performed as of the date of suspension or termination. Such payment will become payable upon delivery of all instruments of service to City and City's acceptance of the same. If City requires a modification of the services under this Agreement, and in the event City and Contractor fail to agree upon such modification(s), City shall have the option of terminating this Agreement and Contractor's services hereunder at no additional cost other

than the payment to Contractor in accordance with the terms of this Agreement for the services reasonably determined by City to be properly performed prior to such termination date.

(c) Abandonment. If Contractor should abandon and fail or refuse to resume work within ten (10) days after written notification from the City, or if Contractor fails to timely comply with the orders of the City, when such orders are consistent with the Contract Documents, then, and in that case, where a performance bond(s) exists, the surety on the bond(s) may be notified in writing by City and directed to complete the work (at City's sole discretion), and a copy of said notice shall be delivered to Contractor. After receiving said notice of abandonment, Contractor shall not remove from the work any machinery, equipment, tools, materials or supplies then on the job, but the same, together with any materials and equipment under contract for the work, may be held for use on the work by the City or the surety on the performance bond, or another Contractor in completion of the work; and Contractor shall not receive any rental or credit therefor, having hereby acknowledged that the use of such equipment and materials will ultimately reduce the cost to complete the work and be reflected in the final settlement. In the event a surety fails to comply with City's written notice provided for herein, then the City may provide for completion of the work in either of the following elective manners:

- (1) the City may employ such labor and use such machinery, equipment, tools, materials and supplies as said City may deem necessary to complete the work and charge the expense of such labor, machinery, equipment, tools, materials and supplies to Contractor, which shall be deducted and paid by City out of such amounts as may be due, or that may thereafter at any time become due to the Contractor under this Agreement. In case such expense is less than the sum which would have been payable under this Agreement if the same had been completed by the Contractor, then Contractor shall receive the difference. In case such expense is greater than the sum which would have been payable under this Agreement if the same had been completed by said Contractor, then the Contractor and/or its surety (ies) shall pay the amount of such excess to the City; or
- (2) the City may (under sealed bids when and in the manner required by law) let the contract to another Contractor for the completion of the work under substantially the same terms and conditions which are provided in this Agreement. In the case of any increase in cost to the City under the new contract as compared to what would have been the cost under this Agreement, such increase shall be charged to the Contractor and its surety (ies) shall be and remain bound therefor. However, should the cost to complete any such new contract prove to be less than what would have been the cost to complete under this Agreement, the Contractor and/or its surety (ies) shall be credited therewith.

(d) Remedies Cumulative. The remedies in this section are cumulative and nothing herein shall be deemed a waiver of any other remedy available to the City under this Agreement, including its remedies upon default provided herein above.

Section 9. Insurance

Contractor shall during the term hereof maintain in full force and effect all policies of insurance reasonably required by City and in compliance with the Contract Documents. Contractor's obligation to provide acceptable certificates of insurance is a material condition of this Agreement, and services under this Agreement shall not commence until certificates of insurance have been received, reviewed, and accepted by City. The minimum coverages and limits of liability for the policies of insurance required under this Agreement are maintained by and accessible through the City's purchasing department.

Section 10. Indemnification

(a) Release of liability. CITY SHALL NOT BE LIABLE FOR ANY LOSS, DAMAGE, OR INJURY OF ANY KIND OR CHARACTER TO ANY PERSON OR PROPERTY ARISING FROM THE SERVICES OF CONTRACTOR PURSUANT TO THIS AGREEMENT. CONTRACTOR HEREBY WAIVES ALL CLAIMS AGAINST CITY, ITS OFFICERS, AGENTS AND EMPLOYEES (COLLECTIVELY REFERRED TO IN THIS SECTION AS "CITY") FOR DAMAGE TO ANY PROPERTY OR INJURY TO, OR DEATH OF, ANY PERSON ARISING AT ANY TIME AND FROM ANY CAUSE OTHER THAN THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF CITY OR BREACH OF CITY'S OBLIGATIONS HEREUNDER.

(b) Contractor's Indemnity Obligation. CONTRACTOR AGREES TO INDEMNIFY AND SAVE HARMLESS CITY FROM AND AGAINST ANY AND ALL LIABILITIES, DAMAGES, CLAIMS, SUITS, COSTS (INCLUDING COURT COSTS, REASONABLE ATTORNEYS' FEES AND COSTS OF INVESTIGATION) AND ACTIONS OF ANY KIND BY REASON OF INJURY TO OR DEATH OF ANY PERSON OR DAMAGE TO OR LOSS OF PROPERTY TO THE EXTENT CAUSED BY CONTRACTOR'S PERFORMANCE OF SERVICES UNDER THIS AGREEMENT OR BY REASON OF ANY NEGLIGENT ACT OR OMISSION ON THE PART OF CONTRACTOR, ITS OFFICERS, DIRECTORS, SERVANTS, EMPLOYEES, REPRESENTATIVES, CONSULTANTS, LICENSEES, SUCCESSORS OR PERMITTED ASSIGNS (EXCEPT WHEN SUCH LIABILITY, CLAIMS, SUITS, COSTS, INJURIES, DEATHS OR DAMAGES ARISE, IN WHOLE OR IN PART, FROM OR ARE ATTRIBUTED TO THE GROSS NEGLIGENCE OF CITY, IN WHICH CASE CONTRACTOR SHALL INDEMNIFY CITY ONLY TO THE EXTENT OR PROPORTION OF NEGLIGENCE ATTRIBUTED TO CONTRACTOR AND/OR ITS OFFICERS, DIRECTORS, SERVANTS, EMPLOYEES, REPRESENTATIVES, CONSULTANTS, LICENSEES, SUCCESSORS OR PERMITTED ASSIGNS AS DETERMINED BY A COURT OR OTHER FORUM OF COMPETENT JURISDICTION).

(c) Notice of Claim(s). Contractor shall promptly advise City in writing of any claim or demand against the City, related to or arising out of Contractor's acts or omissions under this Agreement and shall see to the investigation and defense of such claims or demand at Contractor's sole cost and expense; provided, that City, at its option and at its own expense, may participate in such defense without relieving Contractor of any of its obligations hereunder.

CONTRACTOR'S OBLIGATIONS UNDER THIS SECTION SHALL NOT BE LIMITED TO THE LIMITS OF COVERAGE OF INSURANCE MAINTAINED OR REQUIRED TO BE MAINTAINED BY CONTRACTOR UNDER THIS AGREEMENT. THE PROVISIONS OF THIS SECTION 10 SHALL SURVIVE TERMINATION OF THIS AGREEMENT.

Section 7. Termination; Suspension

(a) Termination Upon Default. Either party may terminate this Agreement upon written notice if the other party is in default of this Agreement, subject to the defaulting party's right to cure in conformance with the terms of this Agreement.

(b) Termination by City. City shall be entitled to terminate this Agreement, with or without cause, by providing thirty (30) days prior written notice to Contractor.

(c) Termination Following Request for Modification. Should City require a modification of this Agreement with Contractor, and in the event City and Contractor fail to agree upon a modification to this Agreement, City shall have the option of terminating this Agreement and Contractor's services hereunder at no additional cost other than the payment to Contractor, in accordance with the terms of this Agreement, for the services reasonably determined by City to be properly performed by Contractor prior to such termination date.

(d) Suspension. City reserves the right to suspend this Agreement for the convenience of City by issuing a written notice of suspension which shall describe City's reason(s) for the suspension and the expected duration of the suspension. Such expected duration shall, in no way, guarantee what the total number of days of suspension shall occur. Such suspension shall take effect immediately upon Contractor's receipt of said notice. Should such suspension extend past the expected duration identified by City in its latest notice of suspension, Contractor shall have the right to terminate this Agreement if Contractor if (i) Contractor provides not less than thirty (30) days prior written notice to City requesting to recommence the services, and (ii) City does not recommence the services within the time requested.

Section 8. Insurance

Contractor shall during the term hereof maintain in full force and effect all policies of insurance reasonably required by City. Contractor's obligation to provide acceptable certificates of insurance is a material condition of this Agreement, and services under this Agreement shall not commence until certificates of insurance have been received, reviewed, and accepted by City. The minimum coverages and limits of liability for the policies of insurance required under this Agreement are maintained by and accessible through the City's purchasing department.

Section 9. Indemnification; Notice.

CITY SHALL NOT BE LIABLE FOR ANY LOSS, DAMAGE, OR INJURY OF ANY KIND OR CHARACTER TO ANY PERSON OR PROPERTY ARISING FROM THE SERVICES OF CONTRACTOR PURSUANT TO THIS AGREEMENT. CONTRACTOR AGREES TO INDEMNIFY AND SAVE HARMLESS THE CITY INDEMNITEES FROM AND AGAINST ANY AND ALL LIABILITIES, DAMAGES, CLAIMS, SUITS, COSTS (INCLUDING COURT COSTS, REASONABLE ATTORNEYS' FEES AND COSTS OF INVESTIGATION) AND ACTIONS OF ANY KIND BY REASON OF INJURY TO OR DEATH OF ANY PERSON OR DAMAGE TO OR LOSS OF PROPERTY TO THE EXTENT CAUSED BY THE NEGLIGENCE PERFORMANCE OF SERVICES UNDER THIS AGREEMENT OR BY REASON OF ANY NEGLIGENT ACT OR OMISSION ON THE PART OF CONTRACTOR, ITS OFFICERS, DIRECTORS, SERVANTS, EMPLOYEES, REPRESENTATIVES, CONSULTANTS, LICENSEES, SUCCESSORS OR PERMITTED ASSIGNS (EXCEPT WHEN SUCH LIABILITY, CLAIMS, SUITS, COSTS, INJURIES, DEATHS OR DAMAGES ARISE FROM OR ARE ATTRIBUTED TO THE NEGLIGENCE OR WILFUL MISCONDUCT OF A CITY INDEMNITEE, IN WHOLE OR IN PART, IN WHICH CASE CONTRACTOR SHALL INDEMNIFY THE CITY INDEMNITEE TO THE EXTENT OR PROPORTION OF NEGLIGENCE ATTRIBUTED TO CONTRACTOR, ITS OFFICERS, AGENTS, OR EMPLOYEES AS DETERMINED BY A COURT OR OTHER FORUM OF COMPETENT JURISDICTION).

RE: Retro fitting a new roof system on the City of Addison Police Department flat roof areas.

OMNIA Partners CPN # TX-R180903-314834

Dear Mr. Bourestom,

We are pleased to provide you with our bid response for the above referenced project. Please see the below listed which details our proposed "Scope of Work" as well as pricing, and let me know what you think as it pertains to both pricing and the "Scope of Work". Once you have reviewed this bid proposal, if it meets your expectations, please let us know. If this bid does not meet your expectations in any way, please do not hesitate to let us know this as well. We will be happy to make any adjustments necessary to accommodate your needs, within reason.

We would request you let us know as soon as possible if you have any questions or issues with the listed items in our scope of work. If your decision is to use our company, please advise us ASAP so that we can secure any needed materials with long lead times, even though they may not be used for some time. This will allow us to secure and hold pricing for this project if needed for an extended period of time. The proposed pricing is valid for a period of thirty (30) days from the date listed above.

"Scope of Work"

Retro-fit roof area scope includes:

1. We will provide for the removal of all access and loose ballast surfacing that now exist in an effort to get the existing roof system as clean as reasonably possible as to accept the new materials to be installed after all preparation work has been accomplished.
2. We will also provide for the removal of the now existing decking system at two (2) areas needing to be accessed. Once removed, we will not be reinstalling a new deck system. If in fact a new deck system is desired, we are able to produce such an event at an additional cost to the owner.

Exhibit A - Scope of Services

3. Once all prep work has been completed, we will then install a cold applied Alphaguard roofing system as manufactured by Tremco Roofing Products which is appropriate for such a project.
4. Once the roof system has been installed and has been allowed to properly dry, we will then install a new three (3) coarse type liquid applied roof system over the entire affected area. This system will include installing a solid layer of reinforcement set in the base ply of the initial base-coat product applied.
