Community Partnership Paint Reuse Program

Partners Since 2015

CWD's Paint Reuse Program is an environmentally friendly way to make use of old paint. Latex and oil-based paint is available in one-gallon and five-gallon cans, in various shades of beige.

Since the program's introduction four years ago, CWD has distributed a total of 8,514 gallons of free paint.

Community Partnership Paint Reuse Program

Partners Since 2015

Municipalities have the option to make the paint continuously available at a public place, such as at your City Hall, where residents can easily pick up a gallon or several.
