

Agreement with Addison Hangars, LLC (Sky Harbour) for Airport Vehicle Service Road Reconstruction

City Council Meeting – April 9, 2024

The logo for Addison Hangars, LLC. It features a white circle on a blue background. Inside the circle, the word "ADDISON" is written in blue, uppercase, sans-serif font. The blue background is part of a larger graphic on the right side of the slide, which includes a white circle and a blue circle, both containing the word "ADDISON" in white, uppercase, sans-serif font. The background is a solid blue color with a white diagonal line running from the top left to the bottom right.

ADDISON

Developer Participation Agreement

A blue circular logo with the word "ADDISON" in white, uppercase letters.

- The Airport is proposing to enter into a Developer Participation Agreement (DPA) with Addison Hangars, LLC (Sky Harbour) to reconstruct a segment of the Airport's vehicle service road between Taxilane Victor and Taxilane Uniform
- Addison Hangars, LLC will contribute 1,000 square yards of concrete pavement to this project
- The Airport's estimated cost for this project is \$250,664 (not to exceed 110% of this value, or \$275,730)

Project Area

ADDISON

Vehicle Service Road – Failed Areas

ADDISON

The vehicle service road has completely failed in multiple locations. A full-depth reconstruction is required. The reconstructed road will be two lanes wide (the current road is a single lane with traffic in both directions).
